THE PAST AND THE FUTURE.

THE PAST AND THE FUTURE.

It is really surprising, considering the interruption Jack Prost recently caused in the preparation of horses, that seveny-one competitors could be managed in the preparation of horses, that seveny-one competitors could be managed events at Chemaford. But the success which has this well at the Sutton Coldinel and Galleywood-sommon trystings, is a sure sign of presperity events at Chemaford. But the success which has this well at the Sutton Coldinel and Galleywood-sommon trystings, is a sure sign of presperity wanted. Liverpool Spring Carlvall. After all, however, no boiling transpired, either in Warwickshire or Essex, that throw a light upon the ensuing meeting of the state of the Carlon Covernity, and Bantam has quite superneded Emblem for the Grand National Chase, which, however, is not from any lack of Lord Covernity's confidence in inst year's winner, or the sneaking foundness of a gallable public for her sister, and Bantam has quite superneded Emblem for the Grand National have put all their friends, on feel inclined in entirest her with any more at present; and as the Chelenham stable are very sanguine about Bantam, and have put all their friends, on feel inclined in entirest her with any more at present; and as the Chelenham stable are very sanguine about Bantam, and have put all their friends, on the avillay with which they even now snap up all the Bo's to 6. Wee Nell is not in quite such good odour as she was; and Amy's friends, continuous very quiet. The Pilot was sent to Birningham to get a line of the continuous properties of the pr

THE TURF.

MONDAY.—The Interior of the subscription-room was the scene of considerable busiles and moving to and fro, but the amount of business transacted was by no means up to what might have been expected from such a numerous attendance. Still, there were several stiffinal investments, especially for the attendance of the control of the contr
